

Happy May, Pickleball Club Members,

Everything is in FULL BLOOM, this includes the Regency Pickleball Club's 2025 Season!

Let us not be discouraged by the predicted rain. Spoke with Lisa Heisler, and we are hoping DINKo De Mayo will be brought inside. As soon as we hear tomorrow, members will be notified.

That's right-the rain will not wash away the vibrancy of the outside world, or the vibrancy of Pickleball Club events planned for our members!

Speaking of events-currently the Regency Pickleball Club has eighteen events planned, not including the on-going league play, and the four Friday Night Lights Open Play.

Remember, it is essential to be on our website:

<https://regencyatmonroepickleballclub.org> so you can sign up.

FYI-Gary Ramella and I had the opportunity to present court concerns and ask key questions to the HOA Board. They mentioned they would get back to us, after they discussed amongst themselves. As soon as a response is given, it will be shared with the membership. It is preferred to get the direct answers, as opposed to behind the scenes chatter.

Keep your eyes open for a message regarding tomorrow night's event. Information will also be posted on TeamReach.
