

Happy Wednesday Pickleball Club Members,

A moment of thanks to all our members who came out, or shall we say came "IN" on Monday night, for "Dinko de Mayo".

Based on all the positive club feedback, the evening was a huge success. This just proves, no matter what, our members know how to have fun, even when the "Dinko" is taken out of the "Cinco".

Monday's fun would not have been possible if not for the collaborative work of Eva Nyman, and the amazing social committee: Stacey Chusid, Cindy Drum, Risa Jarvis, Gita Master, Sharon Mineroff, Meg Pribyl, Lori Ragovin, Patty Smith, Wendy Strauss, and Sherry Vitanza. The Pickleball board is so thankful for their creativity, time, and hard work. We are beyond grateful for your contributions in making our club thrive. My personal apology for missing this event, "Grandma Duties" called, and that is a full 100% membership required.

One more thing, besides this MORE than well deserved thank you. The board wanted our members to be updated regarding Pickleball Club Concerns and Questions posed to the Regency HOA Board. To avoid behind the scenes chatter-here is the official responses to recent requests.

1. Fence Topper for Safety-will be installed
2. Padding for Net Posts-the two identified will be padded providing additional protection.
3. Court Maintenance- Management will coordinate with maintenance and the landscaper to ensure debris is regularly cleared from the courts.
4. Squeegees and rollers will be placed at the courts for player convenience.
5. An additional gate has been denied at this time. An additional gate would require a walkway, fencing, as well as a township site plan alteration, thus making it unfeasible **at this time.**

My thanks to Gary Ramella for joining me, as we sat at in on the Thursday HOA session. We appreciate the ability to have our voices heard. We believe one issue at a time-small steps to progress.

As always my thanks,  
Come Pickle with US,  
Lisa Citron
