

## BIG NEWS! Regency/Central Jersey DUPR Events Are Back!

Dear Regency Pickleball Players,

Exciting news! Join us on August 27th at our upcoming DUPR Event at the Regency - as part of my official partnership with DUPR Pickleball Rating, the most accurate global rating system in the sport. DUPR is trusted by the world's premier Pickleball clubs, professional tours, and recreational players alike.

### What will DUPR be used for?

It's important you get a DUPR because your rating will be used by many venues (e.g., clubs, recreational facilities, community and sport centers) for entry into all various programming--clinics, leagues and ladders and for skill assessment and improvement tracking with lessons.

### Do points scored in a match affect ratings?

Yes! Fight for every point and every game because they all count--not just wins or losses like traditional ranking systems.

### What if I'm unrated and I play against other unrated players?

That's okay! Those scores will retroactively count once you or the other players play against someone who does have a DUPR. This is called "connectivity" and it's a beautiful thing.

### Upcoming DUPR Regency Event:

Kick start your DUPR by joining this official DUPR Rating Session. This session - August 27th, 06:00 PM - 09:00 PM will be for Self Rated Intermediate player or better, equivalent to the Regency League: 2A, 2B, 2C, 3A, 3B and higher. Current DUPR rating NOT required.
